ADL Asks C.U. To Explain Rockwell Appearance Before 3000

Director Sheldon Steinhauser told the Jewish News that the Anti - Defamation League of B'nai B'rith would request the University of Colorado administration to make available the full story of how and why George Rockwell was invited, particularly the circumstances of a 1:30 a.m. decision by the Colorado Daily, student paper, and ASUC committee to invite the Nazi to speak at 4 p.m. the same day. Steinhauser was critical of the C.U. paper and the student body sponsors of Rockwell for not making available to the audience of 3000 the anti-semitic, anti-democratic background and race genocide statements of the Nazi so that students could evaluate the speaker in terms of his racist record. ADL also will make inquiry about the university procedure which obviously does not provide for calm and deliberate evaluation of speakers and their ability to contribute to intellectual discussion and academic growth. Nor does the university policy provide for faculty participation in decisions on speakers.

The C.U. Daily recently ran a long article by Rockwell, again without providing sufficient background about his expressed aims to exterminate Jews and deport Negroes.

The ADL director, who mixed with students after the Rockwell meeting, told the Jewish News that he did not believe a single student was impressed with Rockwell's distorted ideas. Steinhauser disputed the sophomoric notion of student editors that the way to expose Rockwell is to provide him with the prestige and dignity of a university platform and front page publicity in the college newspaper.

SNEAK INVASION

Paul Danish, managing editor of the C.U. Daily, told the Jewish News, "As a Jew, I wholeheartedly supported Rockwell's appearance as a way of bringing anti-semites out in the open so that they can be exposed." Danish was informed that Jewish anti-defamation organizations oppose providing Rockwell with mass audiences and college sponsorships and regard him as best handled when given the quarantine treatment.

The self-styled "feuhrer" of the 75-member "American Nazi Party," made a sneak invasion of the University of Colorado and addressed a laughing, jeering, hissing audience at Mackey Auditorium Tuesday. The Rockwell appearance was arranged by the Colorado Daily, and the Associated Students of the University of Colorado.

The Colorado Daily headlined the Rockwell appearance with a large picture of the Nazi on its front page and editorially urged students to hear the admitted "enemy of democracy."

Rockwell, without b o d y - guards, appeared in civilian suit, without his Nazi swastika-marked uniform.

C.U. Hillel Director Rabbi Milton Elefant was unable to reach President Quigg Newton or Provost Tippo, both of whom were in Denver, in time to protest against Rockwell's use of Mackey auditorium.

STUDENTS UNIMPRESSED

The American would-be Hitler did not make an out-and-out anti-semitic speech, according to Rabbi Elefant nad ADL Director Sheldon Steinhauser, who heard him. Rockwell spoke on the theme of the "law of tooth and claw," contending that the white race must survive because of its superior strength. Asked in the question period if Rockwell considered Jews inferior, the Nazi replied, "I didn't say Jews are inferior. They're superior NOW." He inferred that Jews would not remain superior for long if the Rockwell Nazis attained power. Questioned about the Hitler Nazis who exterminated six million Jews, Rockwell said, "I don't want to get into the Jewish question today." His sparse allusions to the Jewish people in his speech were to charge that "Jews are behind the National Association for the Advancement of Colored People and the Communists."

Rockwell's speech was interrupted repeatedly by laughter, howls and catcalls as students obviously considered him a maniac on the loose. The Nazi boasted that "I'm here because I have to be heard"—the theme repeated by the C.U. Daily.

NAZI ROCKWELL

Rockwell admitted that he is rejected by twice as many colleges as permit him to speak.

SPEAKS NONSENSE

The Young Socialist League, which touched off the Goldwater-Newton controversy at C.U. last year, picketed the Rockwell meeting with signs, "Remember Auschwitz" and "Stay Away." Jewish fraternities were silent. Rabbi Elefant's evaluation of the meeting was that Rockwell spoke nonsense and did not convert any students to his idiotic white supremacy line, but that he can raise money on the claim that he reaches masses of college students and gains the right to speak at major universities. In this way, the C.U. Daily and its naive editors play into Rockwell's hands.

The Rockwell sneak attack raised the question, "Whose running the store at Boulder?" Nobody seems to be in authority, and nobody had a chance to even protest Rockwell's appearance since it was arranged only 14 hours before the 4 p.m. Tuesday assembly by the C.U. Daily and ASUC.

The Jewish News recently reported that at Pittsburgh U., Rabbi Richard Rubenstein, Hillel director, given sufficient time, was able to convince university authorities that a psychopathic advocate of racial mass murder does not deserve the right of free speech on a college campus. Rockwell bragged that he was released from an insane asylum on recommendation of four Jewish psychiatrists.

CURRIGAN IRATE

When news reached Denver that Rockwell was in town, on his way to Boulder, and dropped a hint to reporters that he might make his headquarters here, Jack Frank, publicist for Mayoralty Candidate Tom Currigan, rushed a press release to the Jewish News saying, in part:

"If I were mayor, I would alert the people of Denver to the danger represented by having his unclean presence in our midst. I would not write him off as a twisted madman, but would consider him a potential menace to be stamped out before he obtained the slightest foothold in our community....

"Denver should not allow itself to be a breeding ground for the foul and unAmerican philosophy of the Rockwells of this world. I would use every legal and constitutional means to prevent him from setting up shop here."

Will Grant, asked by the Jewish News to balance Currigan's statement, commented acidly, "It is detrimental for fanatics to come here for anything but silent retirement."

M a y o r Batterton declined comment.

Steinhauser said he doubts Rockwell has any base of local support, and discounted the possibility of Denver acquiring a Nazi HQ. He promised that ADL will watch the situation carefully.

When I first studied writing, I remember being impressed by a simple but amazingly effective literary device.

My text-book advised that people should never be characterized by the author with adjectives like "wicked", "mean", "noble", "heroic", etc., --or, in fact, by ANY adjectives whatsoever.

If you wanted the reader to hate a character, as mean and vile, for instance, rather than just SAY he was mean and vile, it was far better to introduce him beating the daylights out of his frail and starved little wife and hocking his kids tiny coat on a cold day for money to buy more whiskey. That way the reader himself did the characterizing and it was much more believable and vivid.

I consciously and calculatingly use the same technique on the Jews. And it works so well it is often hard to believe it.

If I stood up before a college audience and simply told them the naked FACTS about the Jews and their involvement with Communism, Zionist disloyalty and forced race-mixing, the dose would be too much, even though I have plenty of documents to back up every single charge. But if I bend over backwards to be moderate and likeable, as I do, it forces the Jews to expose THEMSELVES as I never could do it with words and pamphlets or speeches.

Communist criminals like Gus Hall and Benjamin Davis, officially labelled criminals by our own government, have spoken for years at the same colleges to which I am invited.

NO JEWS AND NO JEWISH GROUPS HAVE EVER PROTESTED THESE COMMUNIST SPEECHES ON CAMPUS.

On the contrary, the Jews usually purr happily that the students are commendably exercising "academic freedom" when they welcome red traitors to their campus.

The Jews keep telling the students that they are great believers in "free speech" and "democracy", and that the students should hear and evaluate for themselves ALL kinds of opinions--even Gus Hall's "opinion" that we should all be "buried."

And the students BELIEVE these Jew liars. I myself was once a half-baked believer in the Jews at Brown University, so I know how convincing and "persecuted" these Jews can make themselves appear to college students particularly. College youth, like all youth, are filled with a holy and wonderful IDEALISM, and the Jews brilliantly and devilishly USE that youthful idealism of kids to suck them into the Communist orbit without their knowledge that they ARE in the Communist orbit.

Colleges, as I have learned by experience, are NOT full of red Communists, as it sometimes appears from their actions on behalf of Communists, as in San Francisco. What they ARE full of is idealistic young LIBERALS, who truly BELIEVE in their mumbo-jumbo about "equality" and "freedom". When the "right wing" blasts these sincere kids as "Communists", they not only "lose them"--they drive them straight into the camp of the enemy.

"The conservatives and right-wing extremists", say the foxy Jews and reds, "are hysterical exaggerators and fakers. They call Eisenhower a red--but then they call YOU 'reds' too! So you can see that they are just hysterical and nuts!"

To a young college "liberal" who is definitely NOT a "red" even though he marches in "ban-the-bomb" peace-pickets and demonstrates against the House Committee, such reasoning is irrefutable. He knows he is NOT a "red", loyal to Moscow first, but he hears himself blasted as a "Communist" by supposedly "responsible" "conservatives" and so he concludes that the "conservatives" are just as wrong and hysterical about their OTHER charges about Communist infiltration of our government.

By false and hysterical charges against the student PERSONALLY, the "conservatives" PROVE just what the reds slyly preach, that ALL "conservative" charges are hysterical and false.

My technique is just the opposite.

I let the Jews make the false and hysterical charges about me and the Party.

They never fail to accommodate me.

I let the Jews gently push the Communist speakers while they act like wild men to keep me from being heard and evaluated by the students.

I let the Jews yowl about any attempt to get professors to sign "loyalty" oaths, while they rage for the very skin of anybody who had a hand in inviting ME to speak.

The results are DELIGHTFUL!

Just as a good writer does not call his villian a "villian", but lets the reader draw his OWN, and much more VIVID conclusion, so I do not have to TELL the students about the Jews; the Jews obligingly DEMONSTRATE the truth of what they are much better than I could "prove" it with all our documents and facts.

A perfect example of this technique has just been provided by the lovers of "free speech" and "academic freedom" in Colorado. I spoke out there at the huge University of Colorado last week, before 3,000 students, faculty and visitors.

I was invited, not by "conservatives", who are usually too chicken-hearted to hear me, but by red-hot liberals, the same gang which almost ran Goldwater off the platform at the same University and then called him a "common criminal and a murderer". I talked at some length to these kids, and they are NOT reds--although they parrot much of the Communist line. They are dedicated and sincere "LIBERALS"--just as dedicated as I am to my own beliefs. (Incidentally, there is something immensely satisfying in finding myself so heartily in agreement with these wildly liberal kids on the subject of "conservatives" and the Jew Goldwater. With the true instincts of youth, they scorn the cowardice and hypocrisy of most conservatives, who won't admit they are "anti' semitic" and anti-race-mixing, and they think Goldwater is the "leader" of "our" side. Some of them even think he is a "Nazi", God forbid! They despise Goldwater because they think he is a "conservative". I despise him because he is a vile faker, a "Judas goat" who is NOT a real "conservative" but pretends to be one only to insure that the same Jews who now run us as "liberals" will still be running things when the people get fed up with Kennedy and HIS mob of Jews and want a NEW gang.)

Usually, when I am invited to a college, the Jews learn of it weeks in advance and go to work with silent and very effective terrorism to get it stopped without anybody's realizing what they are doing. Alumni are pressured into pressuring the administration. Presidents are intimidated. The kids who invited me are quietly informed of what will happen to them if they persist. If all these don't get the speech stopped, then the Jew War Veterans threaten violence, and the college administration calls the speech off to "prevent violence" --for which I am always blamed. This has happened dozens of times that we know of, and has probably happened hundreds of times in which we never know of it at all.

Last week I pulled a "fast one" on the lovers of "free speech". I dropped into the Denver area on the way back from L. A. and called the students at C.U. one evening, telling them I had to take off for Arlington the next evening, which was true. At about 2 a. m. that morning, they called the HQ in Arlington, trying to locate me for a speech THAT very afternoon, and the HQ duly called me. I called the students back and accepted the invitation. The Jews were all snoring happily during this cloak-and-dagger episode. When they awoke, it was to find news of the impending "hate" speech all over the front pages so they COULDN'T get it stopped with their sneaky threats and terrorism.

I had nobody at all with me at C.U., since none of our people in the Denver area can come into the open yet and I had no troopers with me because of lack of funds. The Jews COULDN'T say I was a coward, because I marched into the very middle of the 3,000 all alone and spoke and then marched back out. They couldn't stop the speech fast enough, so they contented themselves with the usual pickets, "Remember Auschwitz!", squeezing onions near their eyes, etc.

I took the greatest care not to offend anyone in my speech, even when severely provoked by shouts to hear about the Jews.

One of the delightful results is the hysterical article from the Denver Jew paper which we reprint here in its entirety. In this article, the Jews are so distraught that their "liberal" mask slips off a bit. Not much--but ENOUGH--enough so that the sharp young student liberals to whom I spoke at the University will be able to see it for THEMSELVES.

The headline alone tells PLENTY!

"ANTI-DEFAMATION LEAGUE ASKS C.U. TO EXPLAIN ROCKWELL APPEARANCE BEFORE 3,000"!

Explain?

What's to be explained!

The students have been told by the Jews and liberals that it is their sacred DUTY to hear everybody and everything, even COMMUNISTS, and that it would destroy "academic freedom" to deprive Communists of their "right" to spread their treason at every college in the land--as the reds are busy doing RIGHT NOW.

Now suddenly, the students who believe this line with all their idealistic and innocent little hearts are suddenly confronted with their liberal friends "of the Jewish faith", as the euphemism goes, snarling and demanding an "explanation" for granting "academic freedom" to ROCKWELL!!!

Not only that, but the Jews complain bitterly that the students failed to "properly" "provide sufficient background" (i. e., lies that I am out to massacre all the Jews, etc.) before running an article by me in their paper and letting me speak.

And did the Jews insist that before all the COMMUNISTS who have spoken at the University spoke, they should be preceeded by a "proper" "background" letting the students know how many

MURDERED, and are NOW murdering in their concentration camps--including young American

and then begin to wonder what is the difference be-

The Jews and politicians moan that we had better bow to Martin Luther King and his Red, black revolution, or we will be forced to bow to the "extremists"--like the Black Muslims and the American Nazi Party.

Unless the situation IS mastered by the "extremists," America faces an unspeakable racial catastrophe beyond anything now imagined. Nothing but massacre and bloodshed with no victory to either side can result from a continuation of Martin Luther King's vicious agitation. Only a tiny, screwball "intellectual" minority of White Americans have any intention whatsoever of REALLY mixing with Negroes the way Martin Luther King and his gang demands.

And, on the other side, only a few, rich and privileged black toadies, like Ralph Bunche, and his ilk, do not hate the White Man and are willing to settle for the phony "integration" which is all the Jews and politicians will ever be able to deliver to a few chosen tamed Negroes.

Only the Black Muslims and the American Nazi Party face the TRUE situation REALISTICALLY and propose a realistic answer to the nightmare now beginning.

This week, "Life" magazine contains a huge article designed to frighten both whites and blacks away from the Black Muslims with LIES! The liars keep telling America that the Muslims demand a big hunk of American soil and are preparing to attack America to get it.

From Elijah Muhammad's own paper, "Muhammad Speaks," here is the TRUTH!

The Muslims DO NOT demand land here in America, as "Life" is screaming--UNLESS we refuse to help them set up in another part of the world--Africa. The Muslims have no intention--and what is more important--they have no capability of "attacking" America.

We have proposed, and the Muslims have taken up the proposal, that America quit sending billions in foreign aid to foreign and Communist countries, which openly hate us and attack our citizens, and give this money, instead, to our own Negroes to build themselves a great nation in Africa

Muhammad Speaks

On Hate And Violence

"WE ARE not going to take part in any violence whatsoever. We're not going to do anything other than what we are doing. That is trying to deliver the truth to our people and teach them that they are supposed to be Muslims, and that means they are supposed to be righteous people and that we have shed off all things that pertain to wickedness.

"We have stripped ourselves of harm to let you know that we are not people of violence. We don't intend to attack you. We have no idea or knowledge of anything like that coming in the future.

"Because if we attacked you, we would have to have superior weapons to attack you with, and we don't have factories, nor earth to dig metals to manufacture tools or weapons such as you have.

"All this is your creation, and, therefore, if we would get some of this, you would have to let us have it—and you would not give me a gun to shoot you with. Therefore, God forbid us even to accept weapons, and even to carry anything like weapons to fight with. Because to fight is with Him, and you are not with us."

On Whites And Negroes

"THIS IS what I want you to understand. We are tired of suffering, brutality, beatings, killings, just because you don't like us, and just hate us, and absolutely knowing that we are powerless to resist because you have every odd against us.

"You are absolutely the boss, and we have nothing. And we are asking to leave you, that's all we're asking. We can't get along with you in peace; you don't want us in peace.

"If we sit over there in that house across the street, peaceful all day and all night, after a while that worries you. You will send someone around to see what is going on over there in that house.

"'I don't ever see them. Looks like they're doing nothing over there. Go on over there and see. I never hear what they're planning. Maybe they're planning something over there.'

"It's the white man's way of starting trouble — breaking the peace of people by interfering with their peace. We're not sitting over there in that house planning anything, but are trying to plan peace for the house."

On Separate Territory

"THE AMERICAN white man is not going to move out of his estate to give to the so-called Negroes. We are not asking you to do any such thing.

"No, only unless you prevent our going to our own. If you are going to prevent us from going to our own, or back where we came from, where you found us, okay, then give us a place here to ourselves.

"This has gone to too much talk about separation, and about our acting or demanding a territory here. We're not demanding territory in America. No, sir. We're asking America only if they don't allow us, or will not allow us to go back to our own people and to the country from which we came.

"Then give us a place to ourselves, as you know and we have learned through experience for 400 years, we can't get along in peace together. You're not going to accept us as your equals and we know you're not going to do so. We disregard your promises because you are not going to live up to them because 100 per cent of your people will not agree with such. And we have proof today in the South."

On James Meredith

"POOR FELLOW, trying to force himself in a school where it is 100 per cent white, and they're telling him they don't want him. And then the Army is standing around trying to force him in there—that's their crazy idea.

"I wouldn't want the Army to think about coming to help me against a white man, to allow me to come into his house or in the school or his restaurant, or anything else that he owns.

"If you tell me, I don't want you here, that's sufficient. I'm gone."

On Integration

"WHAT ARE we going to integrate for? What do we want to marry a white woman for, when we are black men? That is going to ruin our family. We will spotty up our family. What does she want a black man for? Or what does the black man want the white one for?

"This is ignorant on both parts even to want to intermarry with each other. The very desire there is ignorant and evil. It's against divine law for either side to integrate in such a way.

"God made all of us as we are. We have black nations, brown nations, red one, yellow and white. We have all these five major colors in races or nations. Why should they not remain like that? Why should they be thrown in like bones or birds into a pot to make soup out of?

"I don't blame the white man in the South for not wanting my people to marry with them. But I blame the South for mistreating him."

where they can have pride and the dignity they can never enjoy here because THE WHITE MAN SIMPLY WILL NOT MIX WITH NEGROES--no matter what the politicians and Jews promise. They won't mix in Mississippi--AND THEY WON'T MIX IN BOSTON EITHER!

Not too many years ago, Marcus Garvy signed up OVER FOUR MILLION NEGROES TO RETURN TO AFRICA. Malcolm X's father was a leader in this group and he was murdered by stupid White men.

Now equally stupid "liberals" and cunning, calculating Red Jews are out to "murder" the whole Muslim Movement even while paying it lip-service and using it to scare America's Whites into accepting Martin Luther King and his hell-raising, phony "integration."

To all sincere White men and Black men who want to SOLVE the deadly problem before us, rather than aggravate it with more lies and hypocrisy, we now propose that the Muslims, with the help of every segregationist and White leader, launch what will be the mightiest petition ever produced in this country--a petition to stop all foreign aid and give the billions to OUR OWN NEGROES to build their own free, self-respecting and modern nation in Africa with American help. Such a petition to Congress, launched and led by the Honorable Elijah Muhammad and the great Malcolm X, will sign up millions and millions of Negroes and put an end to the suicidal race war which looms ahead. It will solve the Negroes' problem by giving him some repayment for his 300 years of slavery and exploitation and by giving him REAL freedom, REAL dignity, REAL respect and a REAL chance at last for "equality" as a NATION! It will solve the race problem for the Whites, almost none of whom really want to integrate, by making integration a moot question.

Far from being a danger to America, the "extremist" American Nazi Party and Muslims have the ONLY REALISTIC SOLUTION to the nightmarish race problem now coming to a head.

To millions of American White Men AND Negroes, the choice is now reduced to the Muslims' wise and brilliant motto, "SEPARATION OR DEATH"!
